

New Features Update – July 2021

www.kurzweil3000.com

Item for kurzweil3000.com

1. _____

Read the Web extension works in Microsoft Edge

The form and function of the tool are identical to the Chrome and Mozilla versions of the tool.

Download

The add-on can be found on the Microsoft Edge add-on page:
<https://microsoftedge.microsoft.com/addons/search>

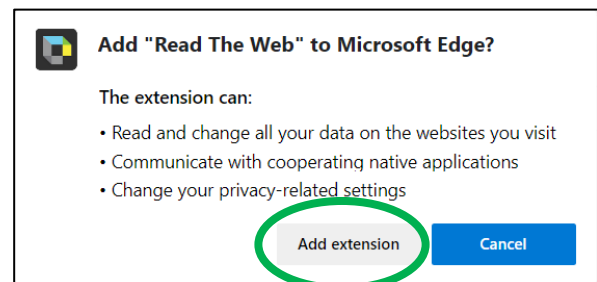

Search for: “Read the Web” or “RTW”

To select the option with the kurzweil icon click the “Get” button to the right.

Confirm your choice by clicking on “Add extension”

A kurzweil icon will appear to the right of your Address bar.

To Activate click on the kurzweil icon and it will Turn from grayscale to colored.

Sign in and use the same as previous versions.
