Managing My Account

Log In

There are a number of ways to log in and access your *firefly* My Account page:

- In a browser, go to www.fireflybykurzweil.com and log in
- From Kurzweil 3000 for Windows Version 13, choose **My Account** from the **File** menu and log in
- From Kurzweil 3000 for Macintosh Version 5, choose **My Account** from the **Kurzweil 3000** menu and log in

After logging in, hover the cursor over the **My Account** tab and select **Profile** from the drop-down menu.

Changing User Information, Including Password

On the **Profile** page, you can view and change user information such as address and occupation, login, school/organization information, and also change your user name and/or password.
