First uninstall any older version of Kurzweil 3000

Before you attempt to install K3000, make sure that you've first **uninstalled** any older version of K3000 on your computer by following the instructions below. Uninstalling an older version of K3000 will not cause you to lose any Kurzweil documents (.kes files), so you don't have to worry about losing your work.

1. In your Windows Control Panel , go to Programs and Features and click Uninstall a Program .	
2. In your Programs and Features list of installed programs, find any older version of Kurzweil 3000 installed (Kurzweil 3000 v.14 pictured to the right). Select Kurzweil 3000 and then click the Uninstall button.	

<ol style="list-style-type: none"> Follow the prompts to uninstall Kurzweil 3000. For example, choose Yes to uninstall the software and Yes to restart your computer. After restarting, you should no longer see a Kurzweil 3000 shortcut on your desktop or Start menu.

Download Kurzweil 3000 Web License

Before you can install and use K3000, you must first download the software.

<ol style="list-style-type: none"> You can download the latest K3000 Windows software for free from this webpage https://www.kurzweilededu.com/k3win Find the link for Kurzweil 3000 Version 15 (web license). Right-click the link, and choose the option Save Link As... 	
<ol style="list-style-type: none"> Save the installer file K3000_k3_15xx_W_WebLicense.exe to a location that you can easily find on your computer. We recommend saving the file to your Desktop (pictured to the right) or Downloads folder. Press Save to save the file. This will start a download process, saving the file to your computer. The file is more than 2 GB in size. Downloading the file may take anywhere from 15 minutes to multiple hours, depending on the speed of your connection. Wireless connections may result in slower download speeds. 	
<ol style="list-style-type: none"> To view the status of the download, in your web browser (Firefox, Chrome, Internet Explorer, etc.) you can press Ctrl + J to open your Downloads library window. Wait for the file to finish downloading. See below for installation instructions. 	

Install Kurzweil 3000 Web License

Now that you've downloaded the installer file, you're ready to install the software.

1. Once the file finishes downloading, double-click the file to Open it.

2. If you receive any security warning windows, press **OK** or **Run** or **Allow**.

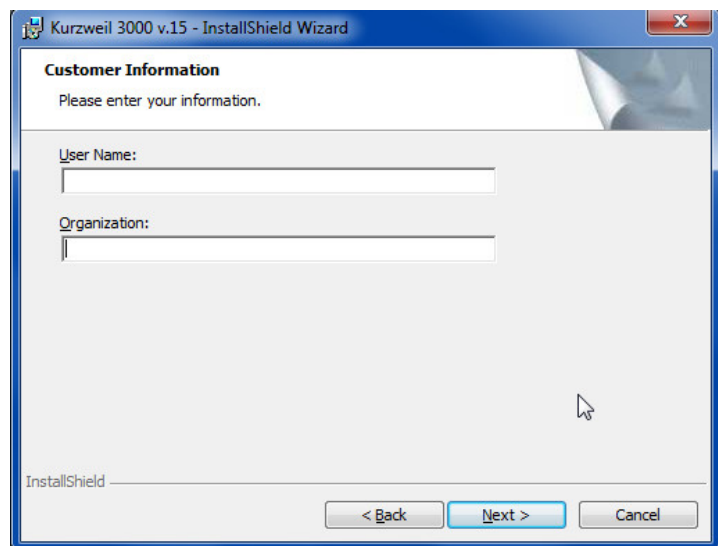

3. Click **Install** to start the installation process.

4. Press the **Install Web Licensing Software** and **Next** buttons when prompted.

5. When prompted for Customer Information, enter the name of the primary user of the computer and press **Next**. If you're unsure whose name to enter, just ignore this step and press **Next**.

6. Choose to do a Complete install and press Next. Follow the prompts to complete the installation process.
7. The installation process may take several minutes or more. You may see several different windows pop up during installation. This is normal.

<p>8. At the end of the process, you will be asked to Finish and Restart your computer.</p>	 <p>The dialog box is titled "Kurzweil 3000 v.15 Installer Information". It contains a yellow warning triangle icon and the text: "You must restart your system for the configuration changes made to Kurzweil 3000 v.15 to take effect. Click Yes to restart now or No if you plan to restart later." There are "Yes" and "No" buttons at the bottom.</p>
<p>9. After you restart your computer, you should see Kurzweil 3000 shortcuts on your desktop.</p>	 <p>The image shows a desktop with three shortcuts: "Kurzweil 3000" (application icon), "Kurzweil 3000 Output Audio" (folder icon), and "Kurzweil 3000 Pending Au..." (folder icon).</p>

Download/Install the Acapela Voices (Optional Step)

Extra high quality Acapela text-to-speech voices may be installed for use in K3000. Each voice package must be downloaded and installed separately. The voice packages contain voices with English or Australian accents and additional foreign languages, such as German or Dutch. Follow the instructions below to download and install these voices.

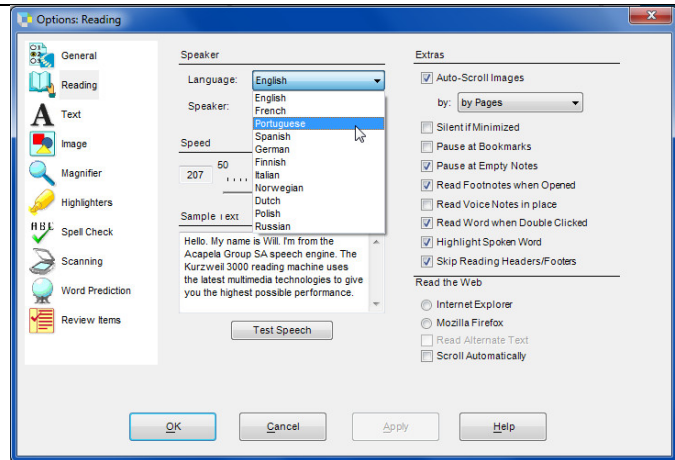

<ol style="list-style-type: none"> 1. You can download the Acapela voices for free from this webpage: https://www.kurzweilededu.com/k3win. 2. Accessing *firefly*

firefly is a combination of a web-based reading tool, online file storage system, and account management system. Educators primarily use *firefly* for its user management system, creating user accounts for others.

Students primarily use *firefly* for its web-based reading tool, letting them read files uploaded to the online file storage system called the Universal Library.

A user account should have been created for you in *firefly*. If you were not provided a username and password, please contact someone at your organization leading the implementation of Kurzweil 3000-*firefly*.

You can log in and access the *firefly* website here:
