GENERAL INSTALLATION NOTES
- Version 14 program install and program-related files are on DVD, so you will need a DVD drive. A downloadable version can also be found on www.kurzweiledu.com/k3win.
- When installing or uninstalling on computers with Windows XP, Vista, 7, 8, 8.1, or 10 you must be logged on as administrator or as a user with administrator privileges.
- Prior to installing Kurzweil 3000, ensure that there are no pending Microsoft updates; if there are, those installations should be completed first.
- Whenever installing a combination of Kurzweil 3000 and Kurzweil 1000 (reading system for the blind), always install the older version first, based on the date on the DVD.
- The Trial version can no longer be activated to the full product. For the full product, you must install from the separate product DVD and register the product.
