New Features Update - December 2018
### V16.06 (Windows) and V16.0.6 (Macintosh)

1.

Speak as Typing in a text document, sticky, or text note in Kurzweil 3000 for Web Browsers (www.Kurzweil3000.com).

Just like the desktop versions, Kurzweil 3000 for Web Browsers now speaks characters, words, or sentences as you type.
Change the setting in the **Audio Options dropdown menu**.

2.

MacOS Mojave now supported in Kurzweil 3000 for Mac V15 & V16.
