1.

Edit Hyperlinks in image documents

In kurzweil 3000.com Hyperlinks can be

- Added – create new hyperlinks
- Edited – change location hyperlink is pointed to
- Deleted – remove existing hyperlinks

New Menu icon

When opening kurzweil3000.com you will see a new Link icon added to the left tools menu. When you hover over the icon it will expand.

When the menu icon  clicked a pop-up window will appear in the center of the screen.

Add a link to the document

Place the cursor where you want the Link icon  to appear in the document.

Click on the Link icon  in the left tool menu.

When the Link icon is clicked 1 of 2 Add Document Link windows will appear.

If there are **NO** bookmarks in the document this window will popup allowing you to

- Create a link to an external web page.

If there **ARE** bookmarks in the document this window will popup allowing you to

- Create a link to an external web page
- Create a link to a bookmark within the document.

Add a Link Description

The tool will pull in either:

the word next to the cursor

or words that are highlighted when the window opens.

If you want a different description, add your own text in the "Link Description" area.

Add the link

External Web Link

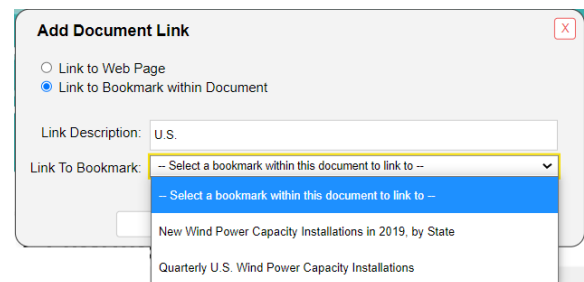

Type or paste the web address in the "Link to Website" field

Bookmark within the document

Use the dropdown arrow to open the list of bookmarks.

Click on the desired bookmark to select.

Once all information is entered click "Add" to create the Link and add the icon to the document.

Using a Link

Hovering over the Link icon will create 2 changes.

- An Edit tab will appear to the left and the link description will appear to the right

- Click on the Link icon to jump to destination.
(Be careful to click on the blue icon area and not the Edit area.)

Editing a Link

Hover over the Link icon to activate the Edit tab.

Click within the bounded Edit area.

Edit Document Link windows will appear.

Change the information as needed.

Click "Update"

A screenshot of the 'Edit Document Link' dialog box. It has a title bar with a close button (X). The dialog contains two text input fields: 'Link Description:' with the value 'Quarterly' and 'Link To Website:' with the value 'www.awea.org'. At the bottom, there are three buttons: 'Delete', 'Cancel', and 'Update'. A green arrow points to the 'Update' button.A screenshot of the 'Edit Document Link' dialog box. It has a title bar with a close button (X). At the top, there are two radio buttons: 'Link to Web Page' (selected) and 'Link to Bookmark within Document'. Below are two text input fields: 'Link Description:' with the value 'Second Quarter 2019 Highlights' and 'Link To Website:' with the value 'www.sela.org'. At the bottom, there are three buttons: 'Delete', 'Cancel', and 'Update'. A green arrow points to the 'Update' button.

Deleting a Link

Open the Edit Document Link window and click "Delete"

If a Link is connected to a bookmark, and the bookmark is subsequently deleted. The Link can be edited to another bookmark or deleted.
